Dear Friends,

Like many people in the world today we are all looking ahead to the New Year with hope and anticipation for a much better year. The truth is, the year will unfold in a way that will best help us on our spiritual path. The question then is, "Will my faith see me through?" It can and it will if we remember that we have twelve very amazing divine attributes that we can use at any time.

The power of LOVE, when quicken through the Christ in us, creates for us conditions so that "All worldly weapons are blunted, dulled, and broken when we dwell in the consciousness of the Christ love, light, and Truth. Whenever anything assails us from outside, we can become centered again and establish ourselves in the changeless Christ.

The power of FAITH, when quicken through the Christ in us, creates an inner light that shines steadily, erasing every shadow of fear and filling your mind and heart with courage and faith.

The power of STRENGTH, quicken by the Christ, brings to us "Every moment of every day, the awareness of the I AM (Christ) as our unfolding Lord within, sent to us by the Father as our divine life essence, our strength.

The power of JUDGEMENT, quicken by the Christ, allows wisdom to light our path as we become aware and realize that "we are that perfect plan, that perfect knowing, that perfect wisdom expressing itself as us according to our consciousness of it.

The power of POWER, when quicken by the Christ, gives us dominion and authority over all that we are, all that we do and all that we say. It is the current of the Christ Spirit that moves in each and every one of us.

The power of IMAGINATION, when

quicken by the Christ, allows us to make our thinking productive, to create that which is still unseen in the physical world. It gives us the opportunity to be co-creative with God.

The power of UNDERSTANDING, when quicken by the Christ, will allow us to regain the kingdom within so that we can be reinstated in the Garden of Eden...to produce and make manifest in our physical world all that is good and beautiful of God.

The power of WILL, when quicken by the Christ, no longer asks for things of a sense nature, but instead knows that all true desire of the heart is to do the will of God, as you seek things on a spiritual level. Surrendering as Jesus did, "not my will, but thine be done."

The power of ORDER, when quicken by the Christ, gives us knowledge of the perfect person, the perfect idea, the perfect pattern of the Christ working itself out through the flesh, coming into perfect manifestation under the law of divine order in all things.

The power of ZEAL, when quicken by the Christ, allows the spiritual essence of the power to shine forth bringing Truth in the form of the Christ Spirit into all our actions.

The power of RENUNCIATION, when quicken by the Christ, establishes a freedom in soul and body consciousness that gives tone and strength and elasticity to the whole person. Thus allowing us to work efficiently with denials and affirmations to bring forth wholeness in mind, body and soul.

The power of LIFE, when quicken by the Christ, gives us a realization of the divine life in us so that we can give attention to the steps which must be taken in consciousness in order to express outwardly that which has been conceived inwardly.

God gave to each of us a pattern for life, which is the Christ within. The instructions are very definite in the form of divine guidance. For you will know the truth and the truth will set you free.
